

Spruce Creek High School Academy of Finance Advisory Board

Join Our Advisory Board!

Every academy needs a full complement of advisory board members in order to provide its academy students a robust, enriching academy experience.

SCHS AOF advisory consist of business persons and community leaders. These individuals together provide the classroom speakers, mentors, job-shadowing venues, funding for scholarships, and paid internships for all eligible academy students.

SCHS AOF Advisory Board Members commit to:

- Participate in monthly meetings with academy directors and staff to discuss curriculum implementation and the integration of classroom and workplace experiences
- Generate opportunities for teachers and students to access internships and other meaningful work-based learning experiences year round
- Attract and cultivate new and existing advisory board members as core partners in the National Academy Foundation academy model

1st Meeting

Tuesday, September 27

5:30 pm

SCHS Media Center

A SCHS AOF Advisory Board Member:

- Enjoys creating customized work experiences in which students develop skills necessary for academic and professional success;
- Appreciates the value of capable and caring adult mentorship and professional internships to high school students who would not otherwise access this support;
- Understands the critical importance of their partnership to academy staff and students who thrive with a strong degree of engagement from an academy advisory board.
